Jamestowne Village Apartments

OFS Executive I Casegoods

Jamestowne Village Apartments wanted a more traditional furniture style for their rental office renovation project to create a more professional working environment. Using OFS Executive I Casegoods, Butler Office Interiors was able to fill their needs.

OFS Traditional Casegoods

furniture solution*

Exposed surfaces on the OFS Executive I Series Casegoods are number one select black walnut veneers. Drawer fronts are matched in sets to assure proper grain balance. Select straight and close grain patterns are used overall to maintain consistency between individual units.

SilverBan™ technology infused into the finish protects from mold, fungus & bacteria on wood surfaces.

OFS Executive I Casegoods are constructed with strong American Black Walnut Veneer. The velvety smooth hand-rubbed catalyzed finish on a chassis engineered with full-to-floor lock mitre construction gives OFS Executive I casegoods a solid foundation for beauty & precision.

Butler Office Interiors' layout and installation of the new furniture for Jamestowne Village Apartments allows them the comfort, ergonomics, function and long-term sustainability that created the work environment that is aesthetically pleasing & functionally efficient.

OFS Executive I casegoods use a patented EuroLuxe™ finish that preserves the beautiful depth and clarity of the veneer. The EuroLuxe™ finish system achieves indoor air quality standards set by LEED and BIFMA furniture emission standards which allows all products to achieve GREENGUARD Indoor Air Quality Certification®.
